

KITESURF TRIP COLOMBIA

26 DECEMBER 2020 - 08 JANUARY 2021

SPORTSPARADISE
fun to be free

THE EXPERIENCE

Experience the authentic Colombian culture and lifestyle! We offer the perfect kite tour to enjoy and improve your kite skills with the backup from a helpful team, along wonderful, hidden spots at the Caribbean Coast, including relaxing and enjoyable downwinder.

Checking out open water, lagoons, waves or downwinder, you will take advantage from knowledge, experience and qualification of our instructors, professional guides as well as from the input of other participants.

Daily you have the chance to join in the organized evening program with e.g. good vibes, yoga, salsa, movie nights or local food and drinks.

OUR MOTTO

We show you that kitesurfing is a lifestyle where you create positive vibes, mental strength, positive self-esteem and a new body awareness. All of these terms describe our motto: **Fun to be Free!**

WHO SHOULD ENJOY THIS ADVENTURE?

- Experienced kitesurfers who want to learn new skills and tricks
- Everyone who wants to take kite lessons in freestyle mode
- Everyone who wants to take the chance and benefit from professional support in areas where he/she probably feels uncomfortable (e.g. waves, open water)
- Kitesurfers who want to discover new types of environmental conditions, supported by a team of advanced kitesurfers and guides
- All who want to experience spectacular nature and the best spots for kiting in the north of Colombia

Cabo de la Vela

- Situated at the **very northern tip of Colombia** it is blessed with strong wind due to the thermal support from the hot orange sand within the area of Guajiro
- Famous for **colourful handcraft**, hammocks (chinchorros) and **delicious seafood** such as crayfish
- Experience the **independent way of life of the indigenous people** Waikanasas who live together with kitesurfers and tourists
- Enjoy daily sun-down kite sessions and **exceptional shows** of the Waikanasas-kids

Punta Gallina

- **The northern most point of South America**
- Most of the time wind speed is 25 knots and more and the kite is manoeuvred dynamically, **scenic sand dunes**
- Extensive **lagoons**, where flamingos shape the landscape

Riohacha

- Offers a **variety of different kitespots** close to the city including secluded beaches
- Popular due to its **calm openwater spots**, side-onshore wind as well as **challenging wavespots**, **surrounded by an astonishing palm-fringed beach**
- The perfect place to celebrate New Year's Eve in an awesome villa

Barranquilla

- **Boasts the second-largest Carnival celebration in the world**
- Provides various areas and beach sections, **perfectly suited for downwinder and kite trips**
- Shallow, secluded, hidden lagoon

Cartagena

- Gorgeous fishing town and **one of the oldest cities in North America**
- **UNESCO World Heritage Site**: world famous historic old town, beautiful colonial architecture
- Extensive sand beaches
- Lagoon suitable for **freestyle techniques**
- International airport for your departure

Isla Rosario

- **Caribbean turquoise blue ocean with amazing white sand beaches**
- Kitespots **from island to island**, relaxing downwinder
- Warm and steady wind
